**PETITIONING THE COURT**

U.S. Probation Officer Shawn Day is petitioning the Court:

To modify the conditions of supervision as follows:

Special Condition - "The defendant shall reside at and complete a program at a community corrections center for a period of up to 6 months as approved by the probation officer."

**JUSTIFICATION**

On March 19, 2009, the defendant was released from the custody of the Bureau of Prison and commenced his 3 year term of supervised release. As the defendant has no community or family ties, he was immediately placed at the Dismas halfway house. As a requirement of the Dismas halfway house, residents are required to pay \$300 rent monthly. On May 15, 2009, the defendant was terminated from Dismas halfway house for non-payment of rent. The defendant is currently homeless and residing at a local homeless shelter.

The defendant has been diagnosed with bipolar disorder and schizoaffective disorder. Due to his mental illness, he is prescribed Geodone (anti-psychotic, mood stabilizer medication), Tegretol (to treat side effects of other medications), doxapin (anti-depressant, anti-anxiety medication), Cymbalta (anti-depressant medication), and Ambien (sleeping aid). The defendant has applied for Social Security Disability benefits due to his mental illness. He has been referred to the United States Employment program, but as of this writing, he has been unable to obtain employment. Due to his lack of employment, mental illness, community support, and lack of financial means, he has not been able to secure a stable residence. Placement at Diersen Charities community corrections center will provide the defendant an opportunity to obtain employment and other community resources.

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable changes may be made in my conditions of supervision or my period of supervision being extended. I also understand that I have the right to request the Court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing. I also agree to the above modifications of my conditions of supervision or to the proposed extension of my term of supervision.
